COMPASSION  
VOLUNTEERING

Passion. Shared.

# 5 fundraising

If you like a challenge, this could be the perfect way to get involved. People raise money for Compassion in all sorts of unique and creative ways.

### WHAT WILL YOU BE DOING?

You could undertake a sporting feat, a bake sale or any other wacky event that gets people to take notice.

Or you could join one of our Blood, Sweat and Compassion challenges by climbing Kilimanjaro or walking the Inca Trail. Find out more at [www.compassion.ukrft.com/home](http://www.compassion.ukrft.com/home).

### WHAT WILL WE PROVIDE?

- If you're not sure how to get the ball rolling, we'll provide some initial ideas and tips to help
- Find out more at [www.compassion.ie/fundraising](http://www.compassion.ie/fundraising)

### WHAT DIFFERENCE WILL YOU MAKE?

With the help of the funds you raise, we will be able to equip and resource our Child Survival Projects or our RESPOND Initiatives.

By fundraising for our Child Survival Projects you will be empowering the local church to support pregnant mothers and babies in the most important years of life.

Our RESPOND Initiatives meet specific critical needs of children, families and communities. These can include disaster relief, preventative healthcare and classroom building.
