FIVE WAYS TO VOLUNTEER

1 local church activist

Our Local Church Activists are passionate sponsors who agree to represent Compassion in their churches.

WHAT WILL YOU BE DOING?

- Promoting Compassion campaigns
- Distributing resources
- Finding sponsors within your sphere of influence
- Encouraging sponsors to pray for and write to their sponsored children

WHAT WILL COMPASSION PROVIDE?

- Comprehensive media resources and guide to Compassion with 'How To' guides for presenting to your church or small group, plus many powerful short films
- A representative of the Compassion Volunteer Network on standby to answer any questions

- Our annual campaign kits
- Copies of our six-monthly Compassion Magazine to share with your church
- Identification as the Compassion contact for your church

WHAT DIFFERENCE WILL YOU MAKE?

Local Church Activists perform a front-line role in Compassion's mission to connect sponsors in Ireland with children living in poverty.

Children sponsored through your church will receive healthcare, education, food, clothing, social and emotional care, and the opportunity to hear the good news of Jesus Christ.

Please note that you must be a Compassion sponsor to become a Local Church Activist.
